30 emergency routes, and the hours and locations where parking is  
31 prohibited.

### EXPLANATION

16 The inclusion of this explanation does not constitute agreement with  
17 the explanation's substance by the members of the general assembly.

18       This bill relates to various matters under the purview of the  
19 state. The bill is organized into seven divisions.

20 DIVISION I — COUNTY AND CITY INSPECTIONS. This division  
21 of the bill prohibits a county or city from requiring an  
22 inspection of a manufactured home that has been inspected  
23 according to requirements of the U.S. department of housing and  
24 urban development and constructed in conformance with specified  
25 federal manufactured home construction and safety standards.

DIVISION II — WORK-BASED LEARNING. This division of the bill relates to work-based learning, which provides opportunities and experiences to students related to workplace tours, job shadowing, rotations, mentoring, entrepreneurship, service learning, internships, and apprenticeships. The bill requires the department of education to establish and maintain a process that requires the boards of directors of school districts to report to the department at least annually regarding student participation in work-based learning programs established by the board.

1 Under current law, a supervisor of a work-based learning  
2 program that awards career and technical education credit must  
3 be a licensed practitioner who completes both educational  
4 requirements and work experience requirements. The bill  
5 requires the board of educational examiners to adopt rules  
6 relating to a certification system for supervisors of  
7 work-based learning programs. The bill provides that a  
8 work-based learning program supervisor certificate shall not  
9 require more than 15 contact hours, which shall be available  
10 over the internet and provide instruction as detailed in the  
11 division. Additionally, the bill provides for when applicants  
12 for the certificate shall be disqualified. The bill provides  
13 that a certificate shall not be considered a teacher or  
14 administrator license for any purpose. The bill requires  
15 that the certificate program be considered a professional  
16 development program.

17 The bill requires that a student's individualized career  
18 and academic plan (ICAP) be developed to identify both the  
19 coursework and work-based learning needed in grades 9 through  
20 12 to support the student's postsecondary education and career  
21 options. An ICAP is developed with each student enrolled  
22 in grade eight to prepare the student for completion of the  
23 core curriculum, identify the coursework needed to support  
24 the student's postsecondary education and career options, and  
25 prepare the student to complete the essential components of a  
26 career information and decision-making system. The bill also  
27 requires that the plan advise the student how to successfully  
28 complete the free application for federal student aid (FAFSA).  
29 The FAFSA is the application that is used to apply for federal  
30 student aid, including federal grants, work-study, and loans.

31 DIVISION III — HEALTH CARE WORKFORCE RECRUITMENT. This  
32 division of the bill relates to the rural Iowa primary  
33 care loan repayment program, the health care professional  
34 recruitment program, and the health care loan repayment  
35 program.

1 The rural Iowa primary care loan repayment program provides  
2 student loan repayments for medical students who agree to  
3 practice as physicians in certain specified areas of the state  
4 for five years. Under current law, medical students who are  
5 eligible for student loan repayments under the program are  
6 required to complete the residency program requirement with  
7 an Iowa-based residency program. The bill strikes from this  
8 provision the requirement that the residency program be based  
9 in Iowa. The bill also authorizes student loan repayment  
10 for medical students who will practice neurology and medical  
11 students who will practice part-time. The bill defines  
12 "part-time practice" as at least 70 percent of a 40-hour  
13 workweek.

14 Current law prohibits the college student aid commission  
15 from entering into more than 20 program agreements annually  
16 under the program. The bill authorizes the commission to enter  
17 into more than 20 program agreements annually if surplus funds  
18 are available.

19 In addition to the medical students who are eligible for  
20 student loan repayments under the program, and subject to  
21 the availability of surplus funds, current law requires the  
22 college student aid commission to adopt rules to provide for  
23 student loan repayment to a physician who received a doctor  
24 of medicine or doctor of osteopathic medicine degree from an  
25 eligible university, obtained a license to practice medicine  
26 and surgery or osteopathic medicine and surgery in this state,  
27 completed the physician's residency program requirement with an  
28 Iowa-based residency program, and is engaged in the full-time  
29 practice of medicine and surgery or osteopathic medicine and  
30 surgery. The bill strikes from this provision the requirement  
31 that the residency program be based in Iowa. The bill provides  
32 that the physician may engage in either the full-time or  
33 part-time practice of medicine and surgery or osteopathic  
34 medicine and surgery in a service commitment area. The bill  
35 also provides that the amount of loan repayment provided to a

1 physician shall be subject to the same limitations applicable  
2 to an eligible student. Additionally, the bill provides  
3 that the total amount of a physician's eligible loans shall  
4 be established as of the date the physician applies for loan  
5 repayment.

6 The bill provides that for agreements entered into  
7 prior to July 1, 2022, the commission and the person may  
8 consent to amend the agreement under which the person shall  
9 engage in the part-time practice of medicine and surgery  
10 or osteopathic medicine and surgery specializing in family  
11 medicine, pediatrics, psychiatry, internal medicine, obstetrics  
12 and gynecology, neurology, or general surgery in a service  
13 commitment area, for an extended period of part-time practice  
14 determined by the commission to be proportional to the amount  
15 of full-time practice remaining under the original agreement.

16 The bill provides that moneys in the rural Iowa primary care  
17 trust fund up to the total amount that an eligible student or a  
18 physician may receive for an eligible loan shall be considered  
19 encumbered for the duration of the eligible student's or  
20 physician's obligation under the program.

21 Current law provides that the obligation to engage in  
22 practice under the program shall be postponed during any  
23 period of temporary medical incapacity during which the person  
24 obligated is unable, due to a medical condition, to engage in  
25 full-time practice. The bill includes within this provision  
26 any period of temporary medical incapacity during which the  
27 person obligated is unable, due to a medical condition, to  
28 engage in part-time practice. The bill provides that, subject  
29 to limited exceptions, an obligation to engage in practice  
30 under an agreement shall not be postponed for more than two  
31 years from the time the full-time or part-time practice was to  
32 have commenced under the agreement. Additionally, the bill  
33 provides for when an obligation to engage in full-time or  
34 part-time practice shall be considered satisfied.

35 The health care professional recruitment program provides

1 student loan repayments for certain health care professionals  
2 who graduate from an eligible institution and who agree to  
3 practice in an eligible rural community in the state. The bill  
4 includes community college within the definition of "eligible  
5 institution". The bill includes advanced registered nurse  
6 practitioner and registered nurse within the definition of  
7 "health care professional".

8 The health care loan repayment program provides student  
9 loan repayments for registered nurses, advanced registered  
10 nurse practitioners, physician assistants, and certain nurse  
11 educators. The bill modifies the health care loan repayment  
12 program to an award program that provides an annual award  
13 amount of \$6,000 for not more than five consecutive years to  
14 registered nurses, advanced registered nurse practitioners,  
15 physician assistants, and certain nurse educators. A part-time  
16 nurse educator must practice as a registered nurse or an  
17 advanced registered nurse practitioner to qualify for an award  
18 under the program. The bill changes the name of the program to  
19 the health care award program and makes conforming changes.

20 DIVISION IV — PROFESSIONAL LICENSING — MILITARY SPOUSES.  
21 This division of the bill relates to professional licensing.  
22 The bill requires each board that issues a professional license  
23 to expedite the licensing of a person married to an active  
24 duty member of the military forces of the United States or who  
25 is a veteran. If the board determines that the occupation or  
26 profession applied for does not have a substantially similar  
27 scope of practice, the board shall issue a temporary license to  
28 the person for a period of time necessary to meet the licensing  
29 requirements of this state. The board shall advise the person  
30 of the necessary education or training and shall license a  
31 person who completes such requirements. The bill moves current  
32 Code language regarding licensure of military personnel and  
33 spouses to new Code section 272C.12A.

34 The bill removes the requirement that a person establish  
35 residency in this state prior to being issued a license,

1 certificate, or registration without an examination if  
2 the person is currently licensed, certified, or registered  
3 in another jurisdiction in an occupation or profession  
4 with a substantially similar scope of practice, except for  
5 licenses issued pursuant to Code chapter 103 (electricians  
6 and electrical contractors) or Code chapter 105 (plumbers,  
7 mechanical professionals, and contractors). The bill also  
8 removes the requirement that the person has held the license,  
9 certificate, or registration in the other jurisdiction for at  
10 least one year.

11 The bill requires a licensing board, an agency, a  
12 department, or the board of educational examiners to waive  
13 an initial application fee and one renewal fee charged to  
14 an applicant for a license issued pursuant to Code chapter  
15 272C (regulation of licensed professions and occupations)  
16 if the applicant has been honorably or generally discharged  
17 from federal active duty or national guard duty within the  
18 last five years. The bill requires each such board, agency,  
19 or department to adopt rules to implement this procedure by  
20 January 11, 2023.

21 DIVISION V — FISHING AND HUNTING LICENSES — MILITARY  
22 VETERANS. Under current law, a resident who has served in the  
23 armed forces of the United States on federal active duty and  
24 who was disabled or was a prisoner of war during that veteran's  
25 military service may pay a fee to obtain a lifetime hunting  
26 license or a lifetime hunting and fishing combined license.  
27 This division of the bill provides that upon payment of a fee,  
28 not to exceed \$5, for an annual armed forces fishing license  
29 (fishing license) or annual armed forces hunting and fishing  
30 combined license (combined license), the department of natural  
31 resources (DNR) shall issue an annual fishing license or annual  
32 combined license to a resident of Iowa who has served in the  
33 armed forces of the United States on federal active duty. The  
34 DNR is required to prepare an application to be used to request  
35 an annual fishing license or annual combined license. The

1 DNR may consult with the department of veterans affairs when  
2 adopting rules to verify the status of applicants.

3     DIVISION VI — DRIVER'S LICENSE AND PARKING FEES —  
4 VETERANS. Under current law, the fee for a noncommercial  
5 driver's license, other than a class D chauffeur's license  
6 or any type of instruction permit, is \$4 per year of license  
7 validity. The fee for a class D chauffeur's license is \$8 per  
8 year of license validity. The fee for a commercial driver's  
9 license (CDL), other than a commercial learner's permit, is  
10 \$8 per year of license validity. An additional fee of \$2 per  
11 year of license validity is required for a class M motorcycle  
12 license.

13     This division of the bill prohibits the department of  
14 transportation (DOT) from charging fees for a noncommercial  
15 driver's license or motorcycle license to a veteran with a  
16 permanent service-connected disability rating of 100 percent,  
17 as certified by the U.S. department of veterans affairs.  
18 The bill also prohibits the DOT from charging fees for a  
19 chauffeur's license or CDL to a veteran who is on federal or  
20 state active duty, or who was issued an honorable discharge or  
21 general discharge under honorable conditions from such service.

22     The bill prohibits a city that operates and maintains  
23 parking meters or non-metered parking lots from enforcing any  
24 ordinance related to parking meter fees against, or charging a  
25 parking fee at any non-metered parking lot to, a person whose  
26 vehicle is lawfully displaying medal of honor, ex-prisoner  
27 of war, or purple heart special registration plates, or a  
28 registration plate displaying the alphabetical characters  
29 "DV" preceding the registration plate number (plates issued  
30 to seriously disabled veterans). The bill provides that this  
31 prohibition shall not be construed to limit a city's authority  
32 to enforce other parking-related ordinances as detailed in the  
33 bill.

34     DIVISION VII — TEMPORARY LICENSES — INSURANCE PRODUCERS.  
35 This division of the bill provides that the commissioner of

1 insurance may issue a temporary insurance producer license  
2 for a period not to exceed 180 days without requiring an  
3 examination to an applicant for a resident insurance producer  
4 license (resident license) who has met all of the requirements  
5 under Code section 522B.5(1), and to an applicant for a  
6 nonresident insurance producer license (nonresident license)  
7 that has met all of the requirements under Code section  
8 522B.7, and who has not been issued a resident license or  
9 nonresident license within 10 business days from the date that  
10 the applicant submitted fingerprints and any other required  
11 information to the commissioner.
